

A Multicultural Celebration

Canada is comprised of many different cultures all living together in peace and harmony. We are going to celebrate this triumph of multiculturalism with a feast! Each member of the class will research the food and symbols of various cultures that exist in Canada and bring them all in to share with the rest of the class. Each culture can only be represented once, so there will be negotiation and lotteries if multiple people want to represent the same culture.

Your Culture: _____

Celebration Day: _____

Food Ideas:
(appetizers, main dishes, desserts, drinks)

Symbol Ideas:
(flags, photographs,
