

# What Does Canada Get?

---

What is the effectiveness of Canada with...

- **Environmental Organizations**
  - Commission for Environmental Cooperation
  - United Nations Environment Program
  - Intergovernmental Panel on Climate Change
  
- **Environmental Agreements**
  - Kyoto Protocol (on the UNFCCC)
  - Boundary Waters Treaty
  - Convention on Biological Diversity

Research and make notes under each of the following headings for your agreement and/or organization:

- Principles or Purposes
- Scope (Breadth of Issues Covered)
- Universality or Membership
- Costs to Canada
- Benefits for Canada
- Benefits for Others
- References
