- Waterton Lakes National Park of Canada. International Peace Park; where the Rocky Mountains meet the prairie.
- Wood Buffalo National Park of Canada. UNESCO World Heritage Site larger than Switzerland.

## British Columbia

- Glacier National Park of Canada. British Columbia's lush interior rainforest and permanent glaciers.
- Gulf Islands National Park Reserve of Canada. An exceptional coastal island landscape in the southern Strait of Georgia.
- Gwaii Haanas National Park Reserve and Haida Heritage Site. Haïda culture and coastal rainforest on Queen Charlotte Islands.
- Kootenay National Park of Canada. UNESCO World Heritage Site featuring the famous Radium Hot Springs.
- Mount Revelstoke National Park of Canada. Rainforest of 1,000-year-old cedars and spectacular mountains.
- Pacific Rim National Park Reserve of Canada. Pacific Coast Mountains make up this marine and forest environment.
- Yoho National Park of Canada. UNESCO World Heritage Site in Rockies.

## Manitoba

- Riding Mountain National Park of Canada. Protected "island" area in the Manitoba Escarpment.
- Wapusk National Park of Canada. One of the largest polar bear denning areas in the world.

## New Brunswick

- Fundy National Park of Canada. Atlantic's sanctuary with world's highest tides.
- Kouchibouguac National Park of Canada. Intricate Acadian blend of coastal and inland habitats.

## Newfoundland and Labrador

- Gros Morne National Park of Canada. UNESCO World Heritage Site amid Newfoundland's wild natural beauty.
- Terra Nova National Park of Canada. Remnants of the Eastern Newfoundland Ancient Appalachian Mountains.

## Northwest Territories

- Aulavik National Park of Canada. Over 12,000 km<sup>2</sup> of arctic wilderness on Banks Island.
- Nahanni National Park Reserve of Canada. Northwest Territories' UNESCO World Heritage Site.
- Tuktut Nogait National Park of Canada. Calving ground for the Bluenose caribou herd.
- Wood Buffalo National Park of Canada. UNESCO World Heritage Site larger than Switzerland.

## Nova Scotia

- Cape Breton Highlands National Park of Canada. Home to Cabot Trail, a land blessed with spectacular cliffs.
- Kejimikujik National Park of Canada. Nova Scotia's inland of historic canoe routes and portages.

## Nunavut

- Auyuittuq National Park of Canada. Baffin Island landscapes containing northern extremity of Canadian Shield.
- Quttinirpaaq (Ellesmere Island) National Park of Canada. Most remote, fragile, rugged and northerly lands in North America.
- Sirmilik National Park of Canada. Northern Baffin Island landscape containing Eastern Arctic Lowlands and Lancaster Sound.
- Ukkusiksalik National Park of Canada. Canada's newest national park surrounding Wager Bay and home to caribou, muskox and polar bear.

## Ontario

- Bruce Peninsula National Park of Canada. Landscapes including the northern end of Niagara Escarpment.
- Georgian Bay Islands National Park of Canada. Captivating islands representing Lake Huron's landscape.
- Point Pelee National Park of Canada. Most southern point on Canadian mainland.
- Pukaskwa National Park of Canada. Canadian Shield's ancient landscape on Superior's North Shore.
- St. Lawrence Islands National Park of Canada. Canada's smallest National Park of Canada located in Ontario.

## Prince Edward Island

- Prince Edward Island National Park of Canada. A protected area with spectacular coast.

## Quebec

- Forillon National Park of Canada. The "Jewel of the Gaspé" where land meets sea.
- La Mauricie National Park of Canada. Lakes winding through forested hills for canoe and portage activities.
- Mingan Archipelago National Park Reserve of Canada. A string of islands carved out by the sea.

## Saskatchewan

- Grasslands National Park of Canada. Saskatchewan's rare prairie grasses, dinosaur fossils, and badlands.
- Prince Albert National Park of Canada. Protects slice of northern coniferous forest and wildlife.

## Yukon Territory

- Ivvavik National Park of Canada. Calving ground for the Porcupine caribou herd.
- Kluane National Park and Reserve of Canada. Yukon's UNESCO World Heritage Site contains Canada's highest peak.
- Vuntut National Park of Canada. Northern Yukon's unique non-glaciated landscape.
