

# Surveying the Neighbourhood: How Globally Informed Are We?

This is a survey to test the degree to which our school community is informed about world issues. Each student is to survey at least 10 different people (other students, teachers, parents, neighbours, and friends) using the exact same questions. Back in class, we will tabulate the results and draw some conclusions.

Questions	Respondents' Answers									
	1	2	3	4	5	6	7	8	9	10
1. How many times per week do you watch the news on television? (# / 7)
