

Sense of Place

Sharing Spaces

- Nile River Basin
- The Arctic
- Antarctica
- Grand Banks of Newfoundland
- Indian Ocean
- *others?*

How will different people view the same place differently?

-
-

What is your sense of place in the world?

- Draw a mind map with you in the centre, and the groups or places to which you feel belong radiating out from you, with more specific groups or places radiating out from those initial categories.
