

Why Study Geography?

You need to study more geography to offset those who think...

- Andes is an after- dinner mint.
- The Balkans are an alien people on Star Trek.
- The English Channel is a TV sitcom about Charles and Camilla.
- The United Kingdom is a cultural theme park.
- The Tropic of Cancer is a sunscreen lotion.
- The \$100 000 pyramid is in Egypt.
- The Gaza Strip is a Middle Eastern folk dance.
- The Ring of Fire is the centre ring of Barnum and Bailey's Circus.
- The Bermuda Triangle is a percussion instrument in a reggae band.
- The Cumberland Gap gives out a pair of clogs with every pair of jeans sold.
- The International Dateline is a new digital TV channel.
- The Continental Shelf is a specialty section in the supermarket.
- A fault is what you find in other people.
- A fjord is a type of car.
- A mantle is what goes over your fireplace.
- Tide is a laundry detergent.
- You can do a research project to find out who killed the Dead Sea.

"Nature is not only more complex than we think, it is more complex than we can think."
